SCHOLARSHIP YEAR: 2013

JOB: Farmer & Pork Producer

EDUCATION: SDSU - Ag Business

I loved attending the meetings and and pork congress. Watching how the board members had meaningful discussion as well as had fun with what they were doing was so impactful to me that I wanted to be part of it myself.

It gave me an inside look into the pork industry and commodity organizations, and how the checkoff and producer input can make a difference.

INVOLVEMENT:

Immediate Past President of the SD Pork Board of Directors
